Re: USA v. Jonatan Trimino, 21-mj-01888
Letter Motion to Modify Bond Conditions

Dear Judge McCarthy:

I am appointed to represent the defendant Jonatan Trimino pursuant to CJA (ECF Doc No. 5). On February 18, 2021, after a Detention Hearing, Your Honor set bail conditions which included an unsecured \$25,000 personal recognizance bond cosigned by two financially responsible persons, electronic monitoring with home detention, restriction of travel, mental health treatment and other conditions. The defendant was released on his signature with a deadline for the sureties to co-sign the bond by Wednesday, March 3, 2021.

While the defendant has one surety who has committed to sign and who has been interviewed by the Government, he is unable to secure a second signer. Based upon his compliance with Pretrial Services and the quality of the single surety presented, I write to the Court, with the Government's consent, to reduce the number of sureties from two to one, leaving all other previous conditions of release in place.

Thank you, Your Honor, for your consideration of this matter.
